Mission: the awareness and acceptance of social nudism and nude recreation in this region.

May 23, 2020

Just got my proxy letter with announcement of this year's convention and meetings. There was a discrepancy between two of the included messages about which positions will be elected this year.

Sandy's letter may have been copied from last year, or maybe Sandy was a victim of wishful thinking, but, no, the office of Secretary-Treasurer is not up for election this year. Instead we will be voting for President, Vice-President, two or more directors, and Recording Secretary. Recording Secretary is being elected because, after decades of official service, Lucy Heide is stepping down as Recording Secretary, though she will be available for training her replacement. Though she will no longer be an officer, I trust and hope that, unlike Douglas MacArthur, she is not "fading away."

If you have nominations for any of those positions, or for Man of the Year, Woman of the Year, or Family of the Year, please send them to Mitch London, 5601 Lewood Drive, Austin, TX 78745, or me at 14201 Parkhurst St., San Antonio, TX 78232. There is an official nominating form on the AANR-SW website, but all I really care about is that the person you are nominating as officer or director has agreed.

The following is totally unofficial. I have doubts that we will have a quorum for the Board, and I would not fault anyone for not showing up during this health crisis. (My wife said I had to go, not because she wants me to be responsible, and I hope not because she wants me dead, but because she wants me out of the house several weeks each summer so she can crank the AC down to 65 and get stuff done in the house.)

So, if you will not be attending in person, I encourage you to send your proxy to an individual who is going. If there is not a board quorum the board cannot use your proxy. We can conduct pretty much all the business needed during the General Assembly, which can meet as long as there are 100 voting members, including proxies. So, I guess the actual minimum for the general assembly would be Mitch, to preside, and Sandy, to verify the 98 proxies they'd need between them. Seriously, I do look forward to being there, and I do look forward to seeing lots of old and new friends....from a distance.
