3. The budget allocations, as finally amended and approved by the Board, shall be considered as advisory guidelines for the expenditure of funds by the Association. Every effort shall be made to observe and follow the guidelines. The Board may also, at its discretion, vote to authorize the expenditure of funds not budgeted in advance, if a clear need for such expenditure exists and if the necessary funds are available.
4. The approved budget will be published by the Secretary/Treasurer along with the previous year’s budget, Profit and Loss Statement, and Income and Expense Summary, and distributed to AANR-SW clubs no later than thirty (30) days after the Midwinter Board Meeting for the current budget year.

    - (2) Club Advertising and Reimbursement.
      - (a) The budgeted amount for advertising shall be equally divided among all AANR-SW clubs holding a valid charter as of January 1<sup>st</sup> of the year budgeted. All clubs chartered after that date are not eligible for reimbursement in that year.

The purpose of countersignature is to keep the President informed of all AANR-SW financial transactions and to provide a joint responsibility and control for the Association's funds. The Vice President may, by direction of the President, sign checks for authorized expenditures in the absence of the Secretary/Treasurer's signature. The President's signature on a AANR-SW check is not necessarily to be interpreted as approval of a properly authorized expenditure. The President may not withhold his or her signature from a properly authorized payment, nor may he or she order the expenditure of funds not properly authorized.
  2. The Secretary/Treasurer is authorized to pay all expenditures under Type 1 of paragraph B above without further approval of the President, the Board, or the General Assembly, provided that budget allocations are not exceeded. The Secretary/Treasurer is cautioned to notify the Finance Chairperson and the President immediately if a budget allocation is in danger of being exhausted.
  3. All capital outlays under paragraph B, 2, above that exceed \$25 must be approved by the Board.
