I mentioned it in the last newsletter, that AANR.COM was getting a new look, and it is LIVE! They have made many advancements and feature improvements. ## AANR-SW Midwinter Meeting

The AANR-SW Midwinter Meeting is being held at Star Ranch in McDade on January 14th and 15th. As per usual, the meeting will take place at 9 am on the Saturday. We will have a meet and greet on the evening of the 14th which is typically in Tara Hall around 6 pm.

The meeting is our annual budget meeting and while some may not think it the most exciting kind of meeting, we do get some very important business done as we figure out how to budget for things like the Nude Racing Series, Annual Convention and Meeting, Membership drives and more. If you are interested in this meeting please attend!

This will be my final Midwinter Meeting as AANR-SW President as I will be terming out in the Summer. The Midwinter Meeting is very important for the region and also very informative as to how we do things and we are always looking for new folks to join the Board. If you would like to see what we do and are interested in being a part of the AANR-SW Board please join us for this meeting or contact any one of our board members.

## Indian Hills Nudist Park

AANR-SW has received word that Indian Hills Nudist Park in Slidell, Louisiana has applied for membership in AANR. I will be heading over to their facilities this or next month to conduct an interview which is part of the process for becoming club members.

They are located just outside of New Orleans just past Lake Pochartrain. According to their website they have rental cabins, camping, a pool and clubhouse facilities and have events for folks to enjoy. [Louisiananudist.com](http://Louisiananudist.com)

## AANR-SW Zoom Game Night

Back in November I tried something. I organized an online game night using Zoom meetings to test out a way for folks to engage even if they are stuck indoors for whatever reason. I have plans to do it again in 2022 and with luck we will get more and more participants. Keep an eye on your e-Mail for more details.
