

AANR-SW PRESIDENT'S MESSAGE

FEBRUARY 2024

Greetings!

It's February and still cold in North Texas. However, there is a "Hope of Spring" in my backyard: tiny daffodil leaves are pushing up through the dirt and a couple of them even have brave blossom buds daring to show their bright yellow signal that soon Winter will be ending and warm days in the sun will return.

This coming Saturday, February 3rd, the AANR-SW Leadership Team will hold its annual Midwinter Board Meeting at Wildwood Naturist's Resort in Decatur, Texas, beginning at 9:30 a.m. The Board of Directors will hear reports from the Officers and Directors and Committee Chairs and Special Assignments Coordinators. A complete package of all of the Reports, copies of the Inboard and Outboard Meeting Minutes from last summer and the Proposed 2024 Budget is available from the Recording Secretary and from me. Please contact me if you are interested in receiving this package.

Once the Reports have been received by the Board, we will have all the information necessary to make good decisions about our Budget allocations for this year. The Board should also elect a Nominating Committee Chair to receive nominations for candidates for the upcoming elections for Officers (President and Vice-President this year) and two or more Directors, plus Honor Awards of Man, Woman and Family of the Year.

The Leadership Team (the Board of Directors, Committee/Subcommittee Chairs and Special Assignments Coordinators) work very hard all year for the benefit of the Region, its Clubs and Members. I am very proud that these folks have provided written reports for us, as is required by our Procedure Manual.

I am including in the body of this Message a copy of the Agenda for our Meeting. To join the meeting by ZOOM, please see the link included with this Message:

The all-inclusive Popa Paradise Beach Resort is for adults (over 18) and will promote AANR and provide AANR brochures to their guests, even though, as a Participating Business, they will not be selling AANR Memberships. Check out the link below for more information.
