AANR-SW PRESIDENT'S MESSAGE

October 2025

Happy October fellow AANR-SW members. I am writing this from the beautiful Laguna del Sol nudist resort just outside Sacramento, California. I've been here over a week shooting a naturist horror movie called *Naked Alien Massacre*. We have another week of shooting left before I return home on October 7th. We will also have a public screening of the movie we shot in January, *Naked as Created: The Pastor Jim Moore Story*, here at Laguna del Sol on Saturday, October 4th. If you're able to travel, come on out.

The final race of our AANR-Southwest Nude Racing Series, the Chilly Cheeks 5K, will also be held on October 4th, at Star Ranch just east of Austin. I regret that I missed last week's race at Oaklake Trails (their second 5K of the year) and that I will have to miss Star Ranch's second 2025 race this weekend. I wish I could be in two places at once.

September was an eventful month here in the United States, and it brought about a lot of emotions in a great many people. I did a lot of speaking out on different issues on my personal social media accounts, but my views are my own. AANR and AANR-Southwest remain neutral on general political issues that don't have anything to do with the promotion and protection of naturism. Naturists and the members of AANR are incredibly diverse, and I want us all to remember what we have in common, the enjoyment of clothes free living.

The 2026 AANR Southwest Region Mid-Winter Meeting will be Saturday, January 31, at Wildwood Naturist Resort near Decatur, TX. The meeting will begin at 10:00 AM to give day visitors time to check in. I encourage all our members to attend.

October, of course, ends with Halloween, and all our landed clubs will have special events celebrating this spooky time of year. Check the calendar of your favorite club and get out there and enjoy the season.

Have a great October...
