AANR-SW PRESIDENT'S MESSAGE
November 2025

Happy November!

Is it me, or is 2025 just flying by? We did finish shooting our naturist horror movie at Laguna del Sol on October 6th, and I flew home on the 7th. That makes two feature films I have participated in this year. Our producer will be screening the one we shot in January, *Naked as Created: The Pastor Jim Moore Story*, at the American Film Market later this month in hopes of attracting a distributor. He will also be taking meetings on *Naked Alien Massacre*, the film we finished last month. That one is still in post-production, so it will be a while before even a rough cut is ready to screen.

I will be traveling again in November, this time to Milwaukee, Wisconsin, to emcee a naturist comedy show. I don't know how life got so busy.

November is, of course, the month of Thanksgiving. We should all be thankful for our naturist clubs and resorts, places where we can go to practice nude recreation. We've had a lot of resort closures in the United States over the past couple of years, mainly due to property sales and economic factors.

Several other naturist venues are being threatened both by impending sales and by legislation. It is a sad fact that our naturist privileges can be threatened by poorly written bills targeting adult businesses and/or child predators. The AANR Government Affairs team works tirelessly to identify and oppose such legislation, but that team needs the help of a strong membership.

The bulk of AANR's income is from membership dues. When membership declines, the resources to combat poor or harmful legislation decrease. We all need to make sure our memberships are current. Check with your club or log onto the AANR website if you are a direct member and renew if your expiration date is anywhere close. You can renew early and stretch out that expiration date. If you know others whose memberships have lapsed, encourage them to renew as soon as possible.

The 2025 AANR-SW Nude Racing Series has now concluded. I am sad to report that I only participated in two races. I missed our last two events because of the movie shoot in California. Stay tuned for the announcement of the 2026 AANR-SW Nude Racing Series dates.

We will be holding our 2026 AANR-Southwest Mid-Winter Meeting on Saturday, January 31, at Wildwood Naturist Resort near Decatur, Texas. All AANR-Southwest members are invited and encouraged to attend. I hope to see you there.

Have a great November, everyone!
