Fellow AANR members, it is finally April. We are warming up, although April showers are upon a lot of us.

The 2026 AANR-SW Nude Racing Series begins this past weekend with the Bare Buns Run at Star Ranch on Saturday, March 28th. That day happened to be my 27th wedding anniversary, so I didn't make it to the race. But I hear Star Ranch had a record turnout for the Bare Buns race.

The SkinnyDipper Sun Run at Wildwood is later this month, on Saturday the 25th. I plan on being at that one. The Oaklake Trails spring race will be soon after that, on Saturday, May 9th.

The April issue of *The Bulletin* includes an article I wrote about getting to model nude for a drawing class in the gallery at The Modern Art Museum of Fort Worth. I had to convince the people at The Modern that I was OK being nude with the security cameras on, as their insurance prohibits them from covering or shutting them off. Check out the article to read about how the class went.

The 2026 AANR-SW Convention is coming up in June which means that it is a little over two months away. All AANR-SW members are invited and encouraged to attend, but if you can't come, please fill out a proxy to send back to me, a director, or someone you know who is attending. We must have 100 votes, either in person or by proxy, to conduct any business that requires a vote of the membership. You can get a copy of that proxy here to print and fill out: https://aanr-sw.org/NewAANRSW/wp-content/uploads/2020/02/Proxy_Form_revised_2018.pdf. Once you've filled it out and signed it, you can scan it and email it to treasurer@aanr-sw.org

We are always in need of volunteers both at the convention and throughout the year. You can serve on a committee, you can chair a committee, and you can run for one of our elected positions. We will have at least two places on the Board of Directors up for grabs as well as President and Vice President. If you are interested, please send me or Ted Peck (our Nominations Committee chair, tdpeck@hotmail.com) a message.

I also have a bit of news regarding one of the movies I am in. *Naked as Created : The Pastor Jim Moore Story* will be released on April 28, available digitally to rent or purchase on Amazon Prime and on Blu-ray and DVD. The physical media is available for pre-order now at <https://www.amazon.com/Naked-Created-Blu-ray-Mark-Savage/dp/B0GVRFVJ9T/> (Blu-ray) or at <https://www.amazon.com/Naked-Created-DVD-Mark-Savage/dp/B0GVRFVJ9T/> (DVD).

Have a great April, everyone!
