Congratulations fellow AANR-Southwest members, we have made it through a very hot August. Summer is not over yet though. As we all know, September can be a very warm month throughout our region. Most of our resorts have a lot of programming for Labor Day Weekend, so get on out to your favorite place and enjoy the sun and fellowship with other naturists.

Janine Sigfried's term as AANR-SW Vice President ended at our June convention. She was elected to a full three-year term as a director at that same convention. A week later, she was informed that she was the winner of the election for AANR Trustee from the Southwest Region. Our ruling documents prohibit someone from holding a regional office while also serving as a Trustee to AANR International, so she had to resign that director position. Our Board met a couple of weeks ago via Zoom and appointed Chad Hamm from Wildwood to serve on the Board in Janine's place. As per our ruling documents, he will serve until the next General Assembly Meeting at the 2027 Convention when the membership, if they so choose, can elect him to fill out the last two years of the term.

I'm also happy to announce that Katelynn Lebouef is the new chair of the Women in Nude Recreation (WINR) committee for the Southwest Region. She lives at Oaklake Trails and has been actively promoting naturism and naturist values on Facebook for some time now. I think she will be a wonderful WINR chair.

Have a happy September everyone!
